Two loon chicks hatch!

Eastman's population has grown with the hatching of two loon chicks. The first one made its appearance at approximately 8:30 p.m. Saturday, June 26. The second chick was seen on the morning of Monday, June 28.

Boaters are advised to be on the look out for the loon family and to keep a safe distance so as not to disturb them. Binoculars are very helpful in observing their behavior.

Thank you for your consideration of the new family,

Jackie Underhill and Ebba McArt
Co-chairs of Lakes & Streams Committee

PS: Thanks to Cathy Lacombe for this great photo. Take a moment to [view all the wonderful photos](#) she took of the new family.
